

Karriere

Our success can be owed first of all to significant performance of our colleagues. To enable our products of excellent quality to fulfil continuously the requirements of the market we need a strong innovative spirit, flexibility and quick recognition of market changings.

We desire to work together with such skilled and energetic colleagues who

- committed themselves to increase both their own and the company?s performance,
- are open to development and reception of new ideas,
- are ready for cooperation and common work in order to reach success.
